

Official Statistics Programme for 2022–2024

Published: 08.12.2021.

Cabinet regulation [Nr.782](#) "Official Statistics Programme for 2022–2024" (in Latvian only) become effective on 01.01.2022.

Information on the publication of official statistics and the respective terms provided by institutions responsible for the production of official statistics.

 [OSP datu publicēšana](#) 

 [Administratīvi teritoriālās reformas \(ATR\) ietekme uz datu publicēšanu](#) 

In accordance with the Law on Statistics, the official statistics, metadata and dissemination calendar of all statistical institutions shall be published on the official statistics portal. The transition period during which the Central Statistical Bureau intends to integrate the official statistical tables and metadata of all statistical authorities into the content of the portal is two years after the launch of the portal.

See the [dissemination calendar](#) of the official statistics portal.

You can find statistics choosing either [browse by topic](#) or [search](#) on the official statistics portal.
