

CSB Management Systems

Published: 16.12.2020.

Management Systems of the Central Statistical Bureau (CSB) are certified according to requirements of ISO 9001:2015 standard "Quality management systems – Requirements" and information security management system standard ISO 27001:2013.

[On November 29, 2018 the CSB gained a certificate of ISO 9001:2015](#) standard "Quality Management Systems – Requirements", which is already the second international certificate gained by the CSB. The certification refers to development, production and dissemination of official statistics.
